Section One—8 Pages

Gas Well to Be Drilled Near Town

EXPECT TO SUPPLY LAC LA BICHE WITH NATURAL GAS SERVICE

By T. W. PUE

Within a few weeks, work may start of drilling of a natural gas well near Lac la Biche to supply the town with gas. A syndicate of local and outside businessmen, headed by George Holmes of Gibbons will begin the project just as soon as present plans are finalized.

Already, Mr. Holmes has 20,000

acres in the area under lease and if gas is found in sufficient quantities application will be made to form a utilities company. A pipeline would then have to be constructed from the well to the town and a network of supply lines built in the town to supply government and business buildings and private residences subscribing to the service.

A few years ago gas was discovered in ample quantities across the lake at "New Deini No 1" well. This discovery hit the headlines of every daily paper when the well went out of control.

At that time the drillers were searching for oil. For the time being, the prospect of finding oil has been given up but if more gas wells are drilled it may lead to important oil finds.

Funeral Services Held for Resident

LAC LA BICHE—Pete Ewanchuk, a resident of the Big Bay district for approximately twenty years, passed away last week. Funeral services were conducted by Rev. P. Zubritsky of the Greek Orthodox Church on Monday, June 27, at 11 a.m.

Mr. Ewanchuk spent most of his days in the northern part of Alberta, coming from Wasel, Alberta, before settling at Big Bay. He was 64 years of age.

He leaves to mourn his loving wife, Zina Ewanchuk; seven sons, six daughters and 12 grandchildren.

Former Herald Editor in RCAF

A former editor of the Lac la Biche Herald, Doug Johnston, is now A.C. 2 D.C. Johnston. Doug has recently been transferred from the St. Jean, Que. station to Clinton, Ont., where he is serving as a clerk typist.

Doug Johnston received his schooling in the Dr. Swift School at Lac la Biche and entered the air force after completing his studies there.

In a letter to the "Herald" he states that his former position of editor has been of immense benefit in his present occupation.

A group of Soviet farmers and agricultural experts will be allowed to visit Iowa to study American methods in livestock production.

Starring Dick Haymes, Audrey Totter.
Musical Technicolor.

Capture Crown In Ball League

LAC LA BICHE—In the most thrilling game of the season, Gordy McCormick's Red Sox captured the championship in the Lac la Biche Midget Softball League.

After a four inning pitching battle the Yankees were ahead 4-3. In the fifth Red Sox guns exploded for 6 runs including a homer with two on by Edgar Boucher. The Sox added another run in the sixth to make it 10-5.

Red Sox pitcher McCormick had two out in the final half of the last inning when the Red Sox machine sprang to life. The bases were loaded when Jimmy Martin stepped up to the plate to bang out a triple. Martin later stole home and it was a 10-9 ball game when Bobby Cherkas connected sharply with a potential tying run. In attempting to stretch a single into a double Cherkas was picked off sliding into second by short-stop Edgar Boucher. It was a heart breaker for Cherkas but it took the game's outstanding player to tag him out and thus end the game 10-9 for the Red Sox. The Sox scored their 10 runs of 16 hits, while the Yankees made 11 hits.

For the Red Sox, Boucher hit three homers in 4 trips to the plate. Lawrence Spence also hit three for four while captain Gordy McCormick batted three for five. For the Yankees, captain Arnold Michetti was his team's best batter, knocking three for four. Marcel Parent and Donnie Stuparyk both hit two for three, while Bobby Cherkas in on many sparkling fielding plays, hit two for four. Later in the season Red Sox will be presented with the League trophy.

RED SOX: Gordon McCormick, p; Gerard Langevin, 1st b; Leonard Auger, rf; Edgar Boucher, ss; Lavern Southwick, c; Hector Gervais, cf; Russel Moghrabi, 2nd b; Donald Stubberfield, 3rd b; Lawrence Spence, lf.

YANKEES: Adel Abougoush, c; Larry Rosychuk, p; Arnold Michetti, 1st b; Donnie Stuparyk, 2nd b; Jimmy Martin, 3rd b; Bobby Cherkas, ss; Marcel Parent, rf; Clarence Tom, cf; Eddie Cardinal, lf.
SCORER: Victor Michetti.

Above is Mrs. E. Tkachuk, president of the Greek Orthodox Ladies' Society. Rev. P. Zubritsky, the parish priest, and Mrs. J. Zalusny, secretary of the Greek Orthodox Ladies' Society. They are shown with shovel in hands with the first sod to be turned on the commencement of building the St. Andrew's Greek Orthodox Church. Date of this occasion was June 9, 1955.

Tournament Rained Out

The Lac la Biche Tournament to be held June 30 and July 1 was cancelled on account of heavy rains on June 29, making it impossible to proceed with the sports day.

The date for the big event will now be July 14 and 15, with the 15th being declared a civic holiday in the town.

Same proceedings as previously advertised on posters and other sources will be carried on on the new dates.

Dodgers and Fawns Downed In Finals

LAC LA BICHE—On Sunday, June 26, Lac la Biche men's baseball and girls' fastball teams travelled to the Grassland sports day to take home second money in both baseball and softball tournaments.

Lac la Biche Fawns played the Grassland girls and were defeated by a 7-3 score. The game was of good quality with Grassland having the better edge of the play. In the baseball portion of the sports, Boyle downed Wandering River. Lac la Biche defeated Grassland but in the finals Boyle defeated Lac la Biche by a good margin. Lac la Biche Dodgers were completely disorganized in the fifth inning to lose by a score of 15-3.

Freedom Wins Double-Header

The Athabasca ball team motored to Freedom on June 19 to play a double header, and the Freedom Phillies won both games. In the first game the score was 6-5 and the second game the score was 13-1. On Wednesday, June 22, Freedom defeated Highridge 7-1.

Whalemeat imports show big gain since 1952.

Mike Maccagno Edges Out Harry Lobay In Close Two-Way Contest

On Wednesday of last week the Social Credit party was returned to power in Alberta, but with a reduced majority. Lac la Biche was one of the constituencies which contributed to this result. Liberal Michael Maccagno wrested the seat from the Social Credit party.

In a close see-saw battle which saw first one, then the other candidate take the lead after polls closed and results began to come in, theatre owner and insurance agent Michael Maccagno finally won the contest with a slim margin of 50 votes. He will now represent the Lac la Biche constituency in place of Harry Lobay who has been sitting M.L.A. since 1948.

M. MACCAGNO

T.B. Regulations Clarified For Athabasca Area

A letter concerning the entry of cattle into TB free areas was received by Geo. L. Godel, District Agriculturist, Athabasca. The letter which follows was received from J. F. Gallivan, assistant veterinarian, Senior Fieldman, Dr. B. Catt.

Dr. Catt has asked me to write you and clarify the regulations relating to the entry of cattle into areas as the wrong information was inadvertently given to you, and there may have been some misunderstanding.

The Province of Alberta, as you know, has been declared a Restricted Area, the only cattle that can enter an area in which Tuberculin testing has commenced, without test, are cattle from tuberculosis-free accredited herds and cattle from TB tested herds in other restricted areas. Steers and heifers of a feeder type (beef cattle) may enter an area without test if accompanied by a license (Form PHS 59A) issued by a veterinarian, but this license is only issued at the Western Stockyards, Edmonton, or packing plants in Edmonton, which are exempt from area regulations. Therefore, the only feeder cattle which can enter the MD of Athabasca 103 under form PHS 59A are feeder cattle which originate at the Western Stockyards, Edmonton, or packing plant yards in Edmonton. Owners residing in the Athabasca 103 Municipality who purchase feeder type cattle from owners in surrounding areas whose herds have not been tested must have them tested on the premises of origin before entry to Athabasca 103.

Therefore should an owner in your municipality inform you he is purchasing feeder cattle from an untested herd, please refer the matter to Dr. J. H. Dumouchel who will proceed to the premises outside your municipality and test the herd of origin under Advanced First General test so that the animals purchased will be eligible to enter a restricted area. If untested cattle enter the area we have no alternative than to order the owner to remove them from the area for test. I would point out that the testing in the Athabasca municipality is nearing completion.

H. LOBAY

ONCE AGAIN the Lac la Biche constituency returned a member to the legislature with a slim majority. In 1952 Harry Lobay, Social Credit, won over Wm. Hamilton, Liberal, by less than 100 votes and last week was defeated by Liberal Michael Maccagno by a similarly small majority.

Cars and Coach De-Railed on NAR

LAC LA BICHE—On July 2 on the Northern Alberta Railways line between Lac la Biche and Watrous three cars and the coach on train 83 derailed at mile 243.

All men available were sent to the scene of the derailment and completion of rerailing the cars and coach was accomplished early Sunday morning after continuous work through the night.

No one was hurt in the derailment and traffic was continued at noon, Sunday, July 3.

Day Is Nice For
Baseball Game

LAC LA BICHE—With the very
heavy rain during June 29 and 30,
weather cleared and nice weather
prevailed July 1. The town was
crowded with people from out of
town and it was decided that a
baseball game should be played.

At 4 p.m. Lac la Biche Dodgers
played the Briereville club in a
nine inning game, coming out the
victors by a 9-1 score.

Wandering River team came in
after 7 p.m. to play a game but
it was too late to arrange for such.

A dance was held in the evening
which turned out to be a well-attended
affair. The local orchestra
supplied the music.

Egg Lake

A few of our young people
who belong to the 4-H Club of
Plamondon, Jos. L'Heureux, Anna
L'Heureux, Edmond Girard and
Simone Girard, took their calves
to the sale recently at Edmonton.

Mrs. L. G. Amiot attended the
Postmasters' convention in Ed-
monton, June 14, 15, 16. She
drove back with Armand Richard
and Paul Emile Richard, who were
coming to Plamondon on busi-
ness.

Joseph Girard and son Albert
were driving in their truck, tak-
ing a few pigs to Lac la Biche,
when the car went out of control
and overturned in the ditch. The
car was damaged but no one was
injured.

Fernand Amiot, Robert Olson
and Bernard Dutilleul have left for
Prince George, B.C. where they
will work for the next few months.

Guests of Mr. and Mrs. Laurent
L'Heureux were Mrs. L'Heureux's
sister, Sister Anna of the Grey
Nuns, brother, Noel Plamondon
and his family of Trail, B.C.

Mr. and Mrs. L. G. Amiot had
the pleasure of having a visit from
Mr. and Mrs. Armand Ostiguy and
Mrs. Roy Erickson and three chil-

dren of Edmonton, on June 26.

Mr. and Mrs. Joseph Girard and
sons Edmond and Albert have left
for Greenshields and Wainwright,
where they will visit Mrs. Girard's
father, Mr. Grenier.

Freedom Families
Attend Wedding

A number of families attended
the wedding of Helen Neigun and
Elmer Johnson which was held at
St. Anthony's Roman Catholic
Church in Edmonton.

Reception was held in the Cor-
ona Hotel, immediately following
the ceremony.

Those attending were Mr. and
Mrs. Hubert Anderson, Mrs. Elma
Johnson and Eric, Mr. and Mrs.
Milton Lawrence, Mr. and Mrs. Joe
Smith Jr., Mr. and Mrs. Steve
Krysa and Jim, Mr. and Mrs. Joe
Smith Sr., Mr. Emil Penno and Mrs.
Louise Anderson.

Gang Lead RCMP
Exciting Chase

The gang or gangs, which choose
Sunnyside Beach as their week-end
hang-out, caused more excitement
recently. This time disorderly con-
duct and illegal possession of
liquor was the trouble.

After the police had rounded
up the trouble-makers, they some-
how eluded the patrol cars. Speedy
chasing over the country roads
ensued before the culprits were
apprehended.

Softball News

Action came to an end this
week in the Lac la Biche Softball
League. Gordie McCormick's Red
Sox wound up with a strong hold
on first place. Yankees and Dod-
gers ended up in a tie for second
place. It thus became necessary
to hold a sudden death game be-
tween these two to decide which
one should play the Red Sox for
the title.

In the game that followed, Yan-
kees emerged victorious behind the
10-hit pitching of Larry
Rosychuk. Final score was 12-8.
Donnie Stuparyk hit 3 for 3 in-
cluding one homer. Clarence Tom
batted 2 for 3. For the Dodgers,
Richard Hayduk with 3 for 4 and
Dan Anderson with two doubles
for three trips, were the best.

Yankees — Abougoush, Adel,
Larry Rosychuk, Arnold Michetti,
Donnie Stuparyk, Jimmy Martin,
Bobby Cherkas, Eddie Cardinal,

Marcel Parent, Tom Clarence.

Dodgers — Richard Hayduk,
Ernie Tom, Andrew Langevin,
Jimmy McCormick, Roger Bou-
cher, Steve Chernychan, Edward
Labby, Dan Anderson, Billy
Myskiw.

Scorer: Victor Michetti.

The Department of Defense was
told by Congress it will be expected
to justify "completely" its program
to reduce the strength of the serv-
ices to 2,850,000 by June.

Bankers' Assoc'n President Refers To Loans Record

MONTEBELLO, QUE. — In addressing the annual meeting of the Canadian Bankers' Assoc. June 10, President T. H. Atkinson referred to the record of the banks in the new lending fields this year. The highlights of Mr. Atkinson's speech are as follows:

More than 23,000 homes have been built or are building in Canada on bank credit under the terms of the National Housing Act, T. H. Atkinson, the retiring president, told the annual meeting of The Canadian Bankers' Association here today.

Of the total number of housing units approved for loans under the act, 40 per cent are being financed by the chartered banks, continued Mr. Atkinson, adding that the extent of bank participation was "a notable contribution toward easing of the housing problem throughout Canada."

Mr. Atkinson said he was particularly proud of the fact that bank housing loans were being made not only in the larger centres, but also in the smaller, more remote areas where, previously it had been difficult, if not impossible, to obtain adequate mortgage assistance.

"It is a source of pride," he said, "that Canada has one of the most flexible banking systems in the world, adaptable to change and tempered to meet new conditions and situations. Today it is stronger than ever before. It is more stable, serves more customers and provides a wider range of services."

Mr. Atkinson suggested that the interest rates on day-to-day loans, ranging between a high of 1.5 per cent and a low of .5 per cent, have clearly reflected the full play of unrestricted competitive forces in the market, a general reflection of the sharp competition that exists in all banking fields in this country.

Boyle Gets New Elevator

The elevator presently being built by the Alberta Pacific Grain Co. will be greatly appreciated by the farming community. Though the building program was started last fall, a stop was put to it, due to a new proposed road to be built from Prosperity to Athabasca.

After a thorough investigation, officials of the grain company decided that the road would help rather than hinder a delivery of grain to this point.

When this elevator is completed Boyle will have a storage space of approximately 600,000 bushels which is very badly needed.

Reports coming from all parts of the district show signs of a bumper crop which should reach a minimum of two million bushels if conditions are right.

Summer Resort Opened At Amisk Lake

Situated nine miles from Boyle is Amisk Lake, a popular spot for a day or week-end outing. One mile north of Hartley lakeside, is the new summer resort recently opened by George Buchanan of Edmonton. Mr. Buchanan spends most of his time at Amisk Lake improving on his new venture and has tried to include everything for the convenience and enjoyment of visitors to his resort.

The sportsman can now rent a row boat and fishing tackle if re-

quired, and spend a good day or weekend fishing in the lake.

Cabins for rent have been provided by Mr. Buchanan.

The lake is also suitable for swimming and for those who like boating, there are the U-drive boats and a 30 passenger boat, which is in service for a cruise around the lake.

By next season, Mr. Buchanan hopes to improve on all this, by adding a booth, where one can obtain sandwiches, pies and hot or cold drinks.

Frains

A bingo party was held at Frains school. Due to the rainy evening a small crowd attended.

Miss Vicky Kolach is having a week's holiday at home. She is employed with the Alberta Government Telephone Co.

Bill Kushuba, Eddie Shwetz, Lucy Greschuk, Mr. and Mrs. Chromiak and family, all from the city, were week-end visitors here.

Mr. Lobay was the speaker for Social Credit. Mr. Decore from Vegreville constituency was the speaker for the Liberal party at the community hall. A large crowd attended the two meetings.

A party was given for the school teachers. Due to rainy evening only a small crowd attended. Lunch and soft drinks were served. Each teacher was presented with a souvenir gift by Dan Kolach.

An election was held at Frains school. John Pfau was returning officer. Archie Shwetz was the secretary. Dan Soloski, Nick Greschuk and Bill Naurot were the Social Credit agents, while Mr. Reynolds and Joe Chadyski were Liberal agents.

Venice

William Lefebvre recently made a business trip to Edmonton.

Miss Victoria Torresan was visiting at the home of her parents for a few days.

Tony Zevola is visiting his son and family, Mr. and Mrs. Vincent

Zevola over the holiday week-end.

Rev. Father Ouelette from the parish of St. Paul was visiting friends recently.

Mr. and Mrs. Lorenzo Gingras and family from Donatville were visiting at the home of his parents, Mr. and Mrs. Adolphe Gingras.

Frank Lafave and son James went to Edmonton at the week-end.

9,000 CITY CHILDREN RECEIVE SALK POLIO VACCINE SHOTS

EDMONTON (BUP) — Edmonton health officials have given two Salk Polio shots to more than 9,000 children and administered the first shots of vaccine to some 300 women.

Health officer, Dr. G. M. Little gave the totals as 9,937 children and 300 women.

The children inoculated conclude most of those in grades one and two and those who received dummy shots in 1954. The final shots were administered to them this week.

The expectant mothers who have received their first inoculations will receive the second next month.

No more vaccine is expected in the city until fall, when the third shots will be given to the children. Officials are allowing a minimum of seven months to elapse between the second and third shots.

Most of God's troubles with laborers in His vineyard can be traced to absenteeism.

Edmonton Water Supply Ample

EDMONTON (BUP) — Edmonton's water plant superintendent says he's confident the city will go through the summer without imposing water restrictions.

He said Edmonton's water plant easily met increased demands during last Wednesday's 83-degree temperature. And he said during the day, the plant pumped a record 26,840,000 gallons of water into city mains. He said this compared with the previous high of about 22,000,000 gallons set in 1954.

W. D. Kirkland said Wednesday's total was about 10 to 15 per cent below the maximum capacity of the plant. And he added, unless the plant encounters serious trouble, it appears water restrictions will be unnecessary.

District Boards Of Trade Hope For Favorable Answer On Road

By T. W. PUE

COLINTON — Now that the election is over, three boards of Trade and three rural communities are looking forward to getting a government reply to proposals made for a new east-west highway.

The highway proposed would be like the two north-south highways No. 2 and No. 46 and make it possible for residents of the Boyle, Newbrook and Colinton areas to get from one district to another. Full details of the proposal was submitted by a special committee earlier this year.

The committee represented the

Boards of Trade of Colinton, Newbrook and Boyle and the communities of Paxson, Caslan and Noral. In a brief drawn up by N. Jack of Colinton, it was pointed out that a connecting highway is not only desirable from the point of view of the district residents but is a necessity for cross-country travel for the citizens of the province as a whole.

At present, a highway is being constructed to connect Athabasca town with Highway 46. But it is hoped that the provincial government will give favorable consideration to a request for an east-west road further south.

News From Other Alberta Towns

10th ANNUAL STAMPEDE TO BE BIGGER AND BETTER THAN EVER

Experienced gained in staging stampedes for the past 10 years will be used to great advantage by the High Prairie Elks on July 5 and 6. The 10th Annual Stampede will be bigger and better than ever. Entries for the rodeo events have been rolling into stampede headquarters for the past month. It is expected that more contestants will compete in this year's event than any in the past ten years.

Over 55 head of horses and 35 steers will be used in the bronc steer riding events. \$125 will be offered for the top rider in the bronc riding contest. This will be in addition to the day money which will be offered to the best rider at end of each days ride.

Other events which will have a

large number of participants, both local and from points throughout Northern Alberta, will be the bareback and steer riding, horse races, chariot races, novelty races, free-for-all and the pony races.

Stock car races, which have proven to be a real thriller, will try to steal the spotlight from the cowboys. This is the first year that this race has been held. It is expected that seven or more hot-rodded experts will enter this event. It will be run in strict compliance with racing regulations. Cars used will be regular stock models and no "souping" of engines will be allowed. Committee members are hoping that wet weather doesn't spoil the condition of the track, which at present is excellent.

Dances which have been a big drawing card in the past, will be held on three nights at this year's Stampede. Workers have been busy enlarging the open air dance floor which now measures 60' x 70'. Dancing will be held on July 4, 5 and 6 with music provided by a local orchestra. Over 3,000 people attended this event last year.

To make sure that everybody is well fed during the all day sessions, light lunches will be served on the rounds by the Ladies' of the Royal Purple and the United Church.

Early Settlers Honored On 21st Anniversary

SUNSET HOUSE — About 40 friends and neighbors gathered at the home of Mr. and Mrs. Dan Muzychyn on June 14, the event being their 21st wedding anniversary. The popular couple, who are among the first settlers of the district, were presented with an electric reading lamp. A card of congratulations was signed by each guest.

In a few well chosen words, R. H. Pearce gave a toast to Mr. and Mrs. Muzychyn, wishing them health and happiness for many years to come.

Among those present were Mr. Muzychyn's parents, who have been married over 50 years.

Lunch was served at midnight and dancing was enjoyed until the wee small hours.

Congregations Hold Picnic

HIGH PRAIRIE — A very successful picnic was held on Wednesday afternoon, June 22, by the congregations of High Prairie, Enilda and Big Meadow United Church. Favored with lovely summer weather, the gathering held on McCue's farm, east of town, was well attended. Races and a peanut throw with plenty of ice cream and lemonade were enjoyed by the children as well as the delicious lunch provided by the ladies.

Mr. and Mrs. T. J. Stainton, who are leaving at the end of June, were presented with a purse of money by J. Reynolds on behalf of the congregation. Mrs. Stainton was presented with a lamp by Mrs. P. Elder on behalf of the senior and junior choirs and with a pair of embroidered pillow cases by Mrs. S. Jones from the Ladies' Aid of Enilda and Big Meadow.

The best wishes of the congregations go with Mr. and Mrs. Stainton in their new work at Didsbury.

Thrown From Horse Skull Fractured

Denise LaMarche, 16-year-old daughter of Mr. and Mrs. E. LaMarche of Slave Lake was seriously injured when she was thrown from a horse and her head struck some sharp object.

She was rushed to the Westlock Hospital by Steve Kuefler and district nurse Miss Auttrux. It was reported that she was suffering from a fractured skull and broken ribs.

Prompt Action Quells Fire

HIGH PRAIRIE — What could have proved a disastrous fire was averted when a fire which broke out in the Orchid Lunch about 5 p.m. on Thursday, June 23, was confined to the attic of the building. Smoke was pouring from the ventilators when fire was first noticed and with a fairly strong wind blowing, it could have proved serious to the adjoining buildings. Prompt and efficient action on the part of the fire department confined the blaze to the attic but the cafe suffered considerable water damage.

Mr. and Mrs. Einar Eng, who own and operate the cafe, have a suite at the rear of the premises and they were able to remove their furniture in time to avoid any damage. The cause of the fire is not known, and no estimate of the damage is available at present.

Repairs are already underway and it is expected that the cafe will open for business in a few days. Bus passengers are being accommodated as usual.

Stampede Proceeds For Arena Fund

Net proceeds of the 10th Annual High Prairie Stampede will go towards the building of a Hockey Arena. It is expected that this plan will become a reality next winter.

Blue prints are presently being drawn up for an arena that will measure 140' x 220' and will have an ice surface of 90' x 180'. These dimensions are still tentative, but when built, it is expected that the arena will be comparable to any in the north.

The Elks took over the fund raising project and this year will mark the fourth year that they have donated the proceeds of their annual stampede to help build the arena. To help swell this fund, bingo's have been staged periodically, with one coming up on August 3rd.

Local Talent Offers Variety Of Performances

Two talented local performers will take part in the entertainment to be provided at the 10th Annual High Prairie Stampede.

Georgina Truckey, a well-known trick horse rider from High Prairie, will perform a variety of stunts that have won her praise from audiences in the past several years.

A performer in a different category is Floyd Smith. The hilarious antics of Mr. Smith as a clown has brought about a request for a repeat performance. Floyd, a local lumber man, has been a regular performer in past years and has been immensely enjoyed by all.

Nehru, back in India, says Peiping lacks free press.

MORTGAGE BURNED FOR ANGLICAN HALL AT THANKSGIVING SERVICE

Friday, June 24, was a happy occasion in High Prairie as a large gathering met to celebrate the burning of the mortgage of the Anglican Church hall. A service of thanksgiving was held in the church with Bishop Pierce, Canon Newman and Miss Budd taking part. The choir sang the anthem, "Follow the Glean."

Following this service, the congregation journeyed to the hall where a short program was enjoyed.

Those taking part were: Mrs. R. Sloan, piano; selection; a song-pantomime by Geraldine Quinn, Wayne Jones and Dale Petterson; vocal solo, Mrs. R. Russell; junior girls pantomime, read by Betty Lou Smith and acted by Edna Helmer, Geraldine Quinn, Sharon Petterson and Norma Stanley; piano solo; Betty MacIntosh; recitation, Oliver Jones and an accordion solo by Mr. Austin Stanley.

In 1936 St. Paul's WA was organized and six of the original members attended Friday nights celebration. These six, Mrs. Banister, Sr., Mrs. Geo. Leighton, Mrs. A. Kenny, Mrs. H. McRae, Mrs. Stanley Sr., and Mrs. Wm. Robinson were called up by the present WA president Mrs. J. Potter, to form a semi-circle around a table on which was placed the paper to be burned.

Bishop Pierce, Canon Newman, Mrs. K. B. Thomson, Mrs. Potter and Miss Budd completed the semi-circle, with the church choir forming the background. Bishop Pierce gave a congratulatory talk to the WA and all members of the church, after which he presented the mortgage on a platter to Mrs. Thomson who lit the match.

As the paper burned, the choir sang "The Thanksgiving Prayer."

Following this ceremony, a buffet-style supper was served under the supervision of Mrs. W. Reucker and Mrs. J. McRae.

The Diocesan WA colors, silver and mauve, along with bouquets

Two Redwater Air Cadets Win Scholarships

Word has been received by Commanding Officer Chuck Bell of No. 524 Squadron, Royal Canadian Air Cadets, that two of his boys have been selected for special distinction by Air Cadet headquarters at Ottawa.

Cadets Howard Libby, son of Mr. and Mrs. Harold Libby of Amelia and Cadet Pat Beauchamp, son of Mr. and Mrs. Ed Beauchamp of Redwater have been awarded special training scholarships, which will give them six weeks of special training at Edmonton during the summer vacation.

Beaverlodge Band To Attend H.P. Annual Stampede

The Beaverlodge Band, which is renowned for its fine performances, will provide musical entertainment at the High Prairie Stampede on July 5 and 6. This band is composed of 36 pieces and has 12 attractive majorettes.

Band Master Doug McFarlane will conduct his group in their musical renditions at the grounds and will also direct them in their intricate military band manoeuvres, for which they are noted.

of lilacs were used to enhance the buffet tables. Lighted candles completed the pretty decorations.

Out of town guests were: Bishop and Mrs. Pierce, Peace River, Canon and Mrs. Newman, High Prairie; Mrs. Avery Kenny, White Rock, B.C.; Mrs. Stanley, Sr., MacLennan; and Mr. and Mrs. R. B. Thomson, Summerland, B.C.

Those who helped in making the evening a success were: Mrs. T. Gallant, church organist; Mesdames Potter, Stanley Jr., Jones, Bannister Sr., Richmond, Leighton Sr., S. Leighton, McRae, Robinson, Reucker, and Wilfred Baucker and Gilbert Leighton. Also the choir: Mesdames B. Jones, Russell, Stockman, and Misses Nancy Nowak, Jean Melinka, Oliver Jones, Jeanne McRae, Betty MacIntosh and Eva Stanley.

Boy Injured By Motorist

SLAVE LAKE — Young Eugene Martell, son of Mr. and Mrs. Z. Martell, was the victim of a painful accident recently when he was knocked down by a local motorist. Young Martell had a bad gash in his back, which took 11 stitches to close, also a badly bruised body. He was rushed to Westlock Hospital for treatment.

Cadets Leave For Summer Camp

HIGH PRAIRIE — Eighteen cadets of the local Air Cadet Squadron, under command of P/Lt. J. R. Bissell, will be leaving for summer camp at Abbotsford, by train at midnight on July 1. The boys will be in camp for two weeks and conducting adults of the group will be P. Tone and S. A. Elford.

Instructors J. R. Bissell, P. Elko and Wm. Steciak plan to travel by motor vehicle and will be accompanied by their families. They expect to be away for three weeks.

Local Cadet Edward Godberson reports July 4 at Edmonton Club for flying instruction and if successful will obtain his private pilot's license.

Parents are invited to visit the camp at any time but more particularly on the second Friday of camp, July 15. This will be Field Day and final inspection of the camp by the Air Officer Commanding that area.

Kinsmen Convene At Sylvan Lake

VEGREVILLE — A contingent of 11 members of the Vegreville Kinsmen Club and seven of their wives attended the Kinsmen Convention at Sylvan Lake recently.

John Koshuta of the local club was elected District Deputy Governor. John was elected over Bob Stewart of Edmonton and another candidate from Camrose. Managing John's campaign was Ed Chrowski.

Business sessions were carried on Monday and Tuesday, with a luncheon and barbecue being held on Monday and elections and the Ball taking place on Tuesday.

Attending from Vegreville were: Charles Owens, Al Scholton, Cam Campbell, Gordon Kassian, Mr. and Mrs. John Koshuta, Mr. and Mrs. Ed Chyzowski, Mr. and Mrs. Leo Cherot, Mr. and Mrs. George Dowhanuk, Dr. and Mrs. Nick Kuzyk, Mr. and Mrs. Cliff Kenny and Mr. and Mrs. Russell Nikiforuk.

Three Buildings Destroyed In Early Morning Fire

An early morning blaze completely demolished three buildings on Minburn's Main street Friday. The buildings destroyed were a grocery, pool hall, warehouse, cafe, residence, dance hall and service station.

It is believed the fire started about 12:45 in the dance hall, owned by Mrs. Mary Kulmatycki. The alarm was turned in at about 1:00 a.m.

The restaurant and residence also owned by Mrs. Mary Kulmatycki, Steve and David were next to go, and then the grocery owned by Chow You of Tofield and managed by O. Miller of Minburn and the service station (not in use).

Volunteer fire fighters from Mannville and Vermillion kept the blaze from spreading to the post office and telephone office.

Bingo Prizes Are Awarded

JOUSSARD — The Welfare Society sponsored a bingo on June 22. The grand prize, a Teco-ware set, was won by Henry Tomkins.

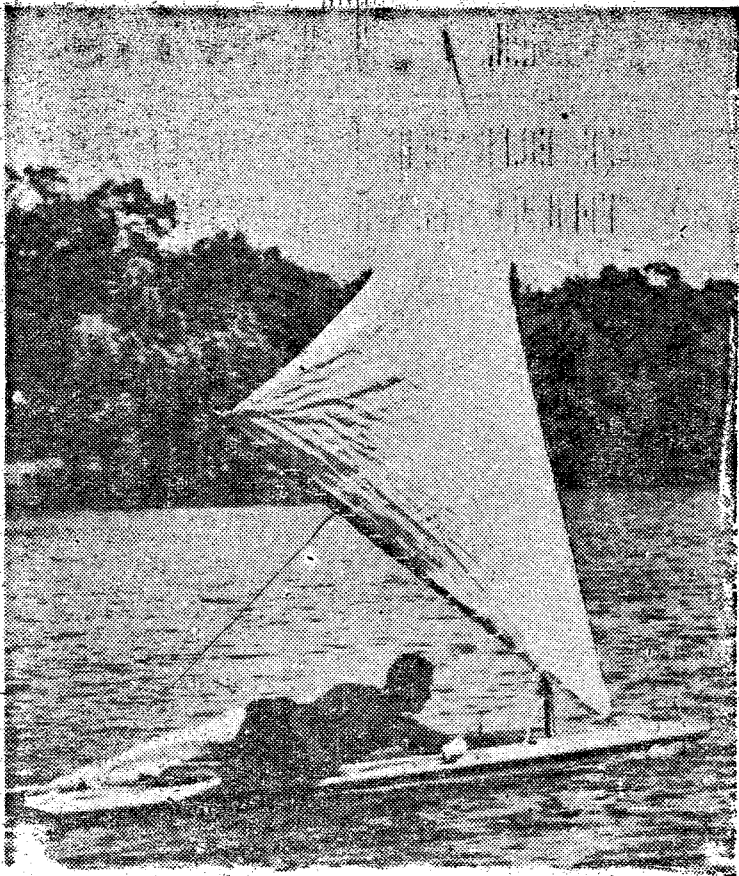

Other winners were Mrs. G. Charrois, Mary Willier, Betty McIntosh, Mrs. Stafford, Mandy Willier, Wilfred Courturier, Mary Willier, Yvonne Bachand, John St. Armand, Mrs. Dave Brassard, Fernand Charrois, Eddie Calliou, Raymond Bailey, H. Carrier, Mrs. Claneau, Pete Beauchamp and Mrs. W. Gagnon.

Young Fawn Pet Of Three-year-old

STELLAVILLE - CLOVELLY — The Chanasyak family have a small fawn which was found deserted in their field and brought home. The fawn has become a great pet of the family and takes nourishment from a bottle by three-year-old Barbara, who calls her pet "Dear John," and takes the responsibilities of feeding the fawn quite seriously.

Reporter Returns From Hospital

SLAVE LAKE — After an absence of some 27 days which was spent in the hospital at High Prairie, Mr. M. A. (Mel) Parkyn has returned to Slave Lake. Mr. Parkyn wishes to thank the many friends who phoned, called and sent cards to the hospital.

SAIL SCOOTER CAN BE OPERATED ON SMALL PONDS OR LARGE LAKES

This is the time of year to get ready to convert every spring and summer breeze into some of the best fun you ever had afloat. It can be yours if you make this sporty sail scooter.

This unique, non-sinkable craft can be used on small ponds or large lakes. A combination surf board and sailboat, you can sail it, paddle it or use it as a swimming float.

Completely swamp-proof, you can turn it over to its right side while you are still in the water.

If the wind dies down use it as a paddle boat. Its speed under paddle will amaze you.

Youngsters as well as grown-ups get a bang out of sailing this scooter.

It's so popular, enterprising youngsters can make expense money all summer, renting this boat out by the hour.

The cost for all materials specified on the pattern offered below is surprisingly small. Add a few hours spare time and you'll be richly rewarded.

The pattern enables you to make this sail scooter without any previous experience at boat-building. Complete full-size outlines for cutting all parts, plus easy to follow step-by-step directions, further simplify the task of building. All you do is trace pattern on the materials recommended, cut to shape and assemble each part according to the simplified directions. Then add the finish as recommended and away you go!

These patterns have proven to be lifesavers to countless folks around the country who want various things for their home. It makes no difference whether you have ever built anything, for the patterns are designed for the rank amateur.

I have received hundreds of letters from delighted users, who write that they were amazed at how simply they could make handsome furniture, cabinets and bookcases from these patterns. Some make things to save money, others use them because they find it fun to be creative.

Many find patterns a sure cure for relieving tension from everyday cares. Many high salaried men spend most of the spare hours turning out furniture, cabinets, lamps and such, from patterns, just to give their nerves a rest. When you're concentrating on assembling a fancy coffee table, there's no room for troublesome thoughts.

This simple sailer is a good pat-

tern project. It not only provides a good way to enjoy summertime, but it shows you how much you can build if you but try.

Send \$1.55 in cash or money order for Pattern No. 248 Sail Scooter, and 55c for our 40-page illustrated catalog of 200 "Build It Yourself" projects to Box 4430, South Edmonton, Alta.

Town Council To Rebuild Entrances

BOYLE — As soon as machinery is available the council have decided to rebuild both road entrances on Railway Avenue and all streets with a good layer of clay. After doing this, a rough layer of gravel will be laid.

There will be five new street lights installed this summer and some new sidewalks will be roughed in. If money is available, it is hoped that some of the previous roughed in sidewalks will be cemented.

The school division have increased the requisition to the village by two mills; however the council felt that the original fifty mills should carry through for this year. For the coming year, two large new buildings are being built and it is believed that these will enable the village to make up the loss of the two mills to the school division.

Letter to the Editor

In an article in the June 22 issue of the Lac la Biche Herald regarding a baseball game between the Lac la Biche Dodgers and the Edmonton Outlaws, it states "Highlight of the game was a home-run by Mike Mossick."

Now, Mike Mossick is a Wandering River player, and appears in all local games wearing the uniform of Wandering River.

Could it be that when Lac la Biche plays in a tournament they use players from other teams and then take the credit for the victory?

Some time ago Lac la Biche Dodgers played another team and their pitcher was an "import" for the day, from Edmonton. I trust when future ball games are played regular players will be used and not an all-star team unless announced.

Also, when a new player is taken on, let it appear in the paper saying which team he played for previously.

BASEBALL FAN
Plamondon, Alta.

Easterner Builds Boats On Prairies

EDMONTON—Ralph H. Fulton formerly of Halifax and Truro, N.S. is busy building boats in Edmonton. For generations his family has been occupied in the traditional boat and ship building trade on the east coast. During the war Ralph worked on a 375 foot minesweeper, invasion barges and life boats—and anything else that floated and was required by the War Dept. The largest vessel that Fulton has completed is a 65-foot boat that was custom built.

At present Ralph is very busy

UNION TRACTOR LIMITED ANNOUNCES TWO NEW BRANCHES

On June 20th, Union Tractor Ltd. opened two new branches — at Vermilion and Athabasca, Alberta.

This brings to eight the number of branches presently in operation within the Province, Lethbridge, Calgary, Edmonton, Grande Prairie, Red Deer, Grimshaw, Vermilion and Athabasca.

Mr. Gerald Watters will be manager at the Vermilion Branch. He is a native Albertan, born in Calgary. Mr. Watters joined Union Tractor Ltd. in November, 1948, at the Edmonton branch as a shipper in the parts department, graduated to counter sales and then to parts manager at the Grimshaw branch. Having a good company background and experience in Caterpillar products, he will be a real asset to owners operating in the Vermilion area.

Mr. Walter A. Heikkila will be the branch manager at Athabasca. He is a native Albertan, born in Trochu. Mr. Heikkila joined Union Tractor Ltd. in August, 1946. He was the accountant at Calgary branch and in September, 1947, transferred to Grande Prairie as chief clerk. He was branch manager at Dawson Creek for three years. Mr. Heikkila brings to his position as branch manager at Athabasca a complete knowledge of Caterpillar products.

The opening of two new branches in the Province is part of the program of Union Tractor Ltd., SERVING ALBERTA, as is the locating of field service representatives at Pincher Creek, Vulcan, Brooks, Drumheller, Didsbury, Castor, Wetaskiwin, Drayton Valley, Edson, Barrhead, St. Paul, Vermilion and Athabasca.

New automatic welding machines have been installed at six branches to build up track rollers, track carrier rollers and idlers.

The Company's parts department are supplying 99 parts out of each 100 ordered for Caterpillar equipment in Alberta. To reduce down time to a minimum teletype systems are operated between all branches and central control at head office, to make parts available to all branches... and at no extra cost to the customer.

With the establishment of twelve field servicemen and eight branches, Union Tractor Ltd. offers twenty locations for servicing Caterpillar and auxiliary products.

* When you buy road building machinery, engines or electric sets, or agricultural tractors remember — YOUR machinery can be kept working through Union Tractor Ltd. serving YOU.

filling out boat orders for Edmontonians; he has four stock models or will construct according to customer's specification. In the west fir plywood is very popular whereas on the eastern coast pine, cedar and oak are very much in demand.

The important feature of a boat says Ralph is the design and the molds. Nails may be used in construction if they can be clinched after nailing. Boats that are designed for outboard motors should have a stronger transom than an ordinary row boat.

Proper boat storage is vital to a vessel and should be rigidly supported in the upside down position. Protection from the elements is essential to preserve the life of any boat. Ralph Fulton a true Easterner knows most of the answers to boat building and welcomes visitors to his plant at 52 Ave. and Calgary Trail, Edmonton.

Gourin

Last week lightning struck telephone poles near the farm of Arthur Boulanger. Some of the telephone poles were completely demolished.

Miss Lillian Duperron has gone to work for Mrs. Urban, Plamondon.

Congratulations to Denise Ulliac and Lucien Charest who were engaged recently.

SPARE 90 MINUTES—gain years of better baling

A long noon hour (or its equivalent) is all you need to have the ROTO-BALER demonstrated on your farm. You'll see for yourself why round bales are better:

Learn How
Roll-Up
Compression
Saves Hay
and Dollars

- Leaves are sealed in.
- Weather is sealed out.
- Livestock prefer hay from round bales.
- Round bales can't buckle or break.
- Less twine cost per bale — per ton.
- ROTO-BALER costs less to own, much less for upkeep.

ROTO-BALER is an Allis-Chalmers trademark.

This Pooch Can Talk!

DEBORAH KERR is getting some kind of a complaint from her Pomeranian, or else he's just hungry. Or else, he isn't so happy in New York with Deborah where she's starring on the stage in "Tea And Sympathy" as he was in those days in Hollywood when she was filming "Julius Caesar" for M-G-M playing Portia, wife of James Mason's Brutus. Incidentally, "Julius Caesar" still enjoys its long run in New York.

McRae

The annual school picnic held at McRae was well attended by representative groups from Boyne Lake, Kikino and Goodfish Lake. Nearest neighbors only six miles away must travel a distance of 40 miles to reach McRae by car.

The scheduled hardball game between McRae and Kikino was won after a tough nine innings by McRae. The married men went down to bitter defeat and an amazing surprise for them when their wives, assisted by McRae regular girls' team beat them with a 9-7 score. Wm. Karmyshyn, pitcher for the men, went through a series of gymnastic stunts with the ball to the bases, but the women were never caught sleeping. The game provided the crowd with the best amusement of the day. The women and girls could make no mistakes. The men, grim-faced and sweat-streaked, were forced to admit defeat in spite of their heavy batting at the end of five innings.

The series of rains that have helped the crops in other districts registered a light fall here.

The hardball team went to Normandeau for a game for Sunday, with a number of fans from this area. This was their first appearance in that district. It is hoped that the Normandeau people will give a return visit at the ball tournament sponsored by the Ball Club at a date not yet announced.

Metro Toma had the misfortune to slide into a tree with his tractor while working a bad washout from last summer's heavy rains. Some damage was done but nothing serious.

Wm. Tkachuk & Karpysyn saw mills are sawing at Cleophas Littlechild's farm. Many farmers are taking advantage of their portable

mill to manufacture lumber from in Barrhead.

E. J. Whitford is home again after a week's hospitalization.

Archie Ladeceur visited at McRae on his way from the Vilna Hospital where he was receiving treatment for some time.

Roy Mackie is again working with his bulldozer cat on the farms of Tony Tokas and Walter Gogovich.

Athabasca Man Drowns In Lake

A 22-year-old Athabasca man drowned at Island Lake while swimming with a friend.

The victim was identified as Gordon Stafford. Police were told Stafford encountered difficulties while swimming and that his friend, Ambrose Shank, tried to save him but was unable to do so.

Police and coroner Doctor E. K. Wright visited the scene following the report of the drowning. A search for the body was started immediately, but there was no report that the body had been recovered.

Stafford is survived by his parents, a brother and one sister.

Freedom

Mr. and Mrs. A. Tamke of Grande Prairie were in the district visiting the Gabriel family.

Mrs. Eric Dreuse is recovering after an operation in the Barrhead hospital.

Elmer Smith flew to Uranium City to seek work.

Herman Bohn's father is a patient in the Aberhart Memorial hospital.

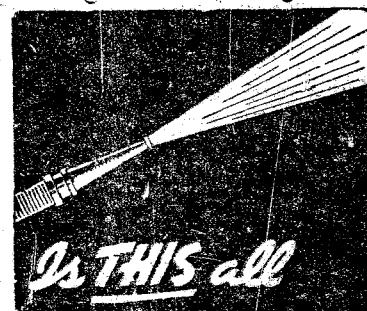

Mrs. B. Gabriel was the winner of a mantel radio at a recent bingo

A number of women attended the district FWUA conference at Westlock last Saturday. The Freedom - Naples project which was entered in the handicraft competition, took second prize.
